PLEASE SEND ARTICLES, ADVERTISING, PHOTOGRAPHS ETC. FOR THE MARCH
2019 NEWSLETTER to Fran, 78 Byewaters or email fran.koster1@gmail.com

HI ALL !!

Well the winter has arrived and Christmas is fast approaching, where has this year gone! Byewaters turned 'green', then 'brown' during the scorching summer, which is now starting to seem a long time ago. So we now await the 'white', especially the children, is it going to snow this Christmas they are all asking? Whatever the weather Byewaters always looks good, particularly with all the wildlife we are lucky to have and enjoy each day. At our house we are getting ready to enjoy Christmas with our children and grandchildren, but trying to think what to buy them all gets more challenging each year, I'm running out of ideas!! We are going to be carol singing at Morrisons again this year on **Wednesday, 12th December**, so please join us, it is for such a good cause (see article below). So while I rush off to make the Christmas cake, pudding, mince pies etc. let me wish you all a very Merry Christmas, Chanukah and above all a very Happy, Healthy New Year. (Truth be told, I buy it all in Lidl theirs are so much better than mine (widely available at other supermarkets)

BYEWATERS CAROL SINGING FOR PEACE HOSPICE CARE Wed 12 December 7pm

We have been carol singing for the Peace Hospice for many years and have collected £5,222 for them so far. It is such a good cause and you only have to give up one hour of your time for this very worthwhile cause. This money will go a small way to help the hospice achieve the £5 million it needs to find each year. This is so they can provide essential services, free of charge, to those facing life-limiting illnesses. We are led by the wonderful St.Oswald's choir and everyone that comes enjoys the event, even if they only hum or rattle the collection box. We used to sing from house to house on Byewaters but the weather wasn't kind to us. We have been singing at Morrisons since 2015 where we can sing whatever the weather and are warm and dry. Please join us on **Wednesday, 12th December at 7pm JUST FOR ONE HOUR at Morrisons.**

At Christmas it is about giving and receiving, raising money for the hospice means we can give just a little to a very good cause

All is well until suddenly the Sat Nav goes wrong leaving Santa stranded. With the clock ticking and morning fast approaching how will Santa deliver all those presents? Another record breaking production for 2018. Filled with songs, nursery rhymes and magic. A truly unforgettable experience which includes the magical moment when snowflakes fall over the audience - a guaranteed white Christmas at every show! As an added Christmas treat, all of the boys and girls in the audience will meet Santa after the show and receive a special present of their own. A NOTE FROM THE DIRECTORS OF BEMC (Byewaters Estate Management Company)

Autumn has arrived and so Byewaters and the surrounding countryside are getting ready for winter. Please take care when moving around the estate – especially in wet or cold weather. Motorists should consider others by driving slowly and avoid obstructing the footpaths when parking. At the AGM in April we discussed the rising costs of works to manage the trees and other aspects of the estate as it approaches the 20th anniversary of the first residents moving in to their new homes. Stormy weather in late summer caused some damage to older trees on the estate and tree surgeons have started work on other parts of the estate. Our neighbours at Croxley Park are planning to work on their trees, some of which are adjacent to our estate. In October we appointed a new gardening contractor to tend the common parts of the estate. As we also discussed at the AGM the increasing costs of maintaining the estate have an impact on the service charge and consequently this has now been raised this year (2018/2019) for each property. If you have any questions or issues regarding estate matters – or comments about gardening and grounds maintenance – please contact MCS customer services email info@mcsproperty.com, phone 01920 466500 or write to them at Saxon House, 6a St Andrews Street, Hertford. SG14 1JA.

You can also contact us directly at directors@byewaters.co.uk. Other information is available on the www.byewaters.co.uk website.

The BEMC directors wish you all a Merry Christmas and a Happy New Year

NO BAKE CHRISTMAS TREES

1/2 cup butter or margarine + 2 cups powdered icing sugar +2 tbsp milk +3 cups shredded coconut (I used sweetened, but unsweetened would work fine) + 1/2 tsp vanilla or mint extract + Green food colouring + 3/4 cup white chocolate chips + 1 tsp butter or margarine + 1 tbsp milk + mini M&Ms.

Method:

In a large pot, melt butter. Remove from heat. Stir in icing sugar and milk. Stir in coconut, vanilla/mint and enough food colouring to make the mixture green. Shape into small balls, and using the tips of your fingers gently squeeze one side of the ball until it takes on a cone shape. It might take a few tries to get them how you like them, but if the mixture gets too cool

to work with, you can always heat on low. If you see any later you want to reshape, they are easily reshaped at room temperature. Put uncovered on a baking sheet to set either in the fridge for 2-3 hours or the freezer for 45 minutes to 1 hour. In a small pot, melt chocolate, 1 tsp butter and 1 tbsp milk over low heat, stirring, until smooth. Dip the tops of the cookies in the white chocolate to look like snow. Add mini M&M's if desired. Set in the fridge or freezer to set before storing in an air tight container.

Of course plenty of food stalls, sweet shops and even a healthy shake bar on a double decker bus! For 2018 join Jack, Dame Trott and their traditional pantomime cow on the most giant adventure of all! The ultimate seasonal treat for you, your family and friends, created especially for you in Watford by our devoted team. Christmas wouldn't be the same without it! At the Watford Palace Theatre from Wednesday, 5th December to Saturday, 5th January. Phone 01923 225671 for more information.

WATFORD FC

Well, come on be fair, in my last notes, I did say 5th or 6th but we are in 8th so really not too far out from my prediction after 10 further games. (I blame the Bournemouth and Newcastle results for that and could be sitting 4th but that's the life of a Watford fan I suppose.) We went to Burnley after Brighton and the 'Orns got their first result away from home for the season with a 3-1 win with Gray, Deeney and Hughes getting the goals. Palace at home and another win for the Hornets - motoring now. Across to Reading next and unbelievably won again and only Liverpool and Chelsea had done the same so we were now mixing with the big boys. Spurs at home next and the 'Orns did it again beating the Spurs 2-1. Watford are now joint top of the Premiership (3rd on goal difference for the more factual readers). Man Utd at home next

and back to reality where we were beaten 2-1 but were the faithful fans feeling down? Nope, they were enjoying the ride. Fulham away and a 1-1 draw. Carabao Cup away to Spurs. I say away but it was Milton Keynes but don't get me started on that, and lost on penalties. A trip to Arsenal and a loss on the road of 2-0 but everyone was still enjoying the ride. Home to Bournemouth and lost big time (Note to self - Gloss over quickly on this one). Up to Wolves next and a win 2-0, then home to Huddersfield who were having a torrid time whom we beat 3-0 and then away to Newcastle who were also having a bad time. This time Newcastle beat us 1-0 (Read note to self again here). Back on the road again from the north right down south to Southampton where we drew 1-1 which places us currently in 7th place in the table. Good news is that Javi Gracia is on the brink of signing a new 3 year deal. Quite an exception for a manager at this club! My next rectifying insomnia edition will be in the New Year, so I will wish you all the Season's Greetings and hopefully we may be 5th or 6th in the table after New Year?

REMEMBERING HEROES AT CHRISTMAS

Gino Bartali, born in Florence (1914) and became a champion road cyclist he won the Italian Giro d'Italia, a multi stage race, 3 times and the Tour de France twice. He was a very popular and widely admired national hero, also a devout Catholic. Following the German occupation of Italy he decided to use his fame and sport to help others. Bartali was known to cover large distances with his bicycle for training purposes so was able to carry forged documents from one place to another without suspicion. He managed to hide the paperwork in his bicycle and always asked when stopped for the bicycle not be touched as the different parts were very carefully calibrated to achieve maximum speed. In actual fact he was a courier for the Resistance and played an important role in the rescue of many people. After the war Bartali never spoke of his underground work during the German occupation. Hence many of his courageous endeavors remained unknown. He refused to be interviewed about working for the Resistance, and said that he had been motivated by his conscience. A true hero - Gino Bartali was recognised as 'Righteous Among the Nations'

Gino Bartali "Good is something you do, not something you talk about."

Gino's bravery is Something to think about for Christmas and maybe a bell for **your** bike would be a good idea as some cyclists along the canal 'foot path' seem to think they are also in a race and do not give 'foot' pedestrians any warning as they come speeding along behind them - be thoughtful for Christmas & 2019 and avoid a serious accident!

Hertfordshire Trading Standards is warning residents to be vigilant as a result of a novel approach being used currently by rogue traders. Instead of asking for work in your garden, these rogues tell you that they are working next door/ at the bottom of the garden on a hedge or trees that are on the boundary and that the clippings may fall into your garden. To save you any bother, can they access your garden to collect the branches or clippings? Once they are in your garden, they offer to do work on your side and because you think that they are working at a neighbour's house, you think that they must be ok and agree. Of course, these traders aren't working next door and in the latest incident in Hertfordshire, they took £100 cash and then disappeared, not even doing the work. Trading Standards advise that you don't deal with any cold callers and don't believe any story of working next door - on trees, on an adjoining roof, anywhere. Reputable traders will not approach a resident in this way, without the neighbour being present. Please look out for your elderly family members and neighbours and warn them about this latest scam. **Trading Standards Hertfordshire County Council**, tel: 01707 292429 fax: 01707 292477 sue.shanahan@hertfordshire.gov.uk Please call the police on 101 to report any rogue trader or 999 if there is a crime in progress. NEWS ALERTS – Byewaters needs your email address – important to stay in the loop. Recently there have been local issues that residents should know about, but my email list needs updating. Please let me know if yours has changed so I can pass on information. Contact me at fran.koster1@gmail.com

FOULING – Byewaters is covered by a PSPO!

Unfortunately 10 years on from our first newsletter some people still have not got the message regarding fouling!! It has been brought to my attention that Byewaters has been included in the PSPO for Three Rivers Council. PSPO is a Public Spaces Protection Order and the full order can be viewed on <http://www.threerivers.gov.uk/service/public-space-protection-order-pspo>

Basically this means that owners not removing their dog's faeces on Byewaters can be fined £75 (max fine of £1000). You can report anyone seen not removing dog faeces to Three Rivers Council or contact FixMyStreet <http://www.fixmystreet.com> and they will send a report to Three Rivers. FixMyStreet does cover other matters as well such as dumped items, clearing graffiti, potholes etc. and of course dog fouling. They send your report to the people whose job it is to fix it. There is an app for iOS and an Android app, Nokia Ovi app. If your phone isn't supported try accessing FixMyStreet via your mobile browser. **This can help in the fight to stop children getting Toxocariasis from dog faeces. Biodegradable bags are FREE** from the Parish Council Offices and some libraries. Always think of others and use bags to pick up after your pet and then BIN it preferably in a **RED** waste bin.

SLOW DOWN ... CHILDREN PLAYING

Don't be the cause of an accident. 20mph or less!!

Please drive slowly around the estate and park sensibly so that visibility is not obscured for either

pedestrians or other vehicles. Please keep your speeds down – **20mph or less** is best.

Please think of others and try not to park on pavements or on blind spots. (Parking large vehicles on or close to corners is not advisable.) If your vehicle damages a pavement you will have to be charged for the repair. Please be considerate when driving and parking around Byewaters.

LOCAL SERVICES

Our trades list and local information on our web page (www.byewatersnews.co.uk) has grown to five pages. Click on a newsletter and scroll to the end. It was suggested that details of tradesmen, used by homeowners on Byewaters, be listed. Send me details of someone, or a local service you found useful, it may help others when trying to find the right local service.
